

Please...

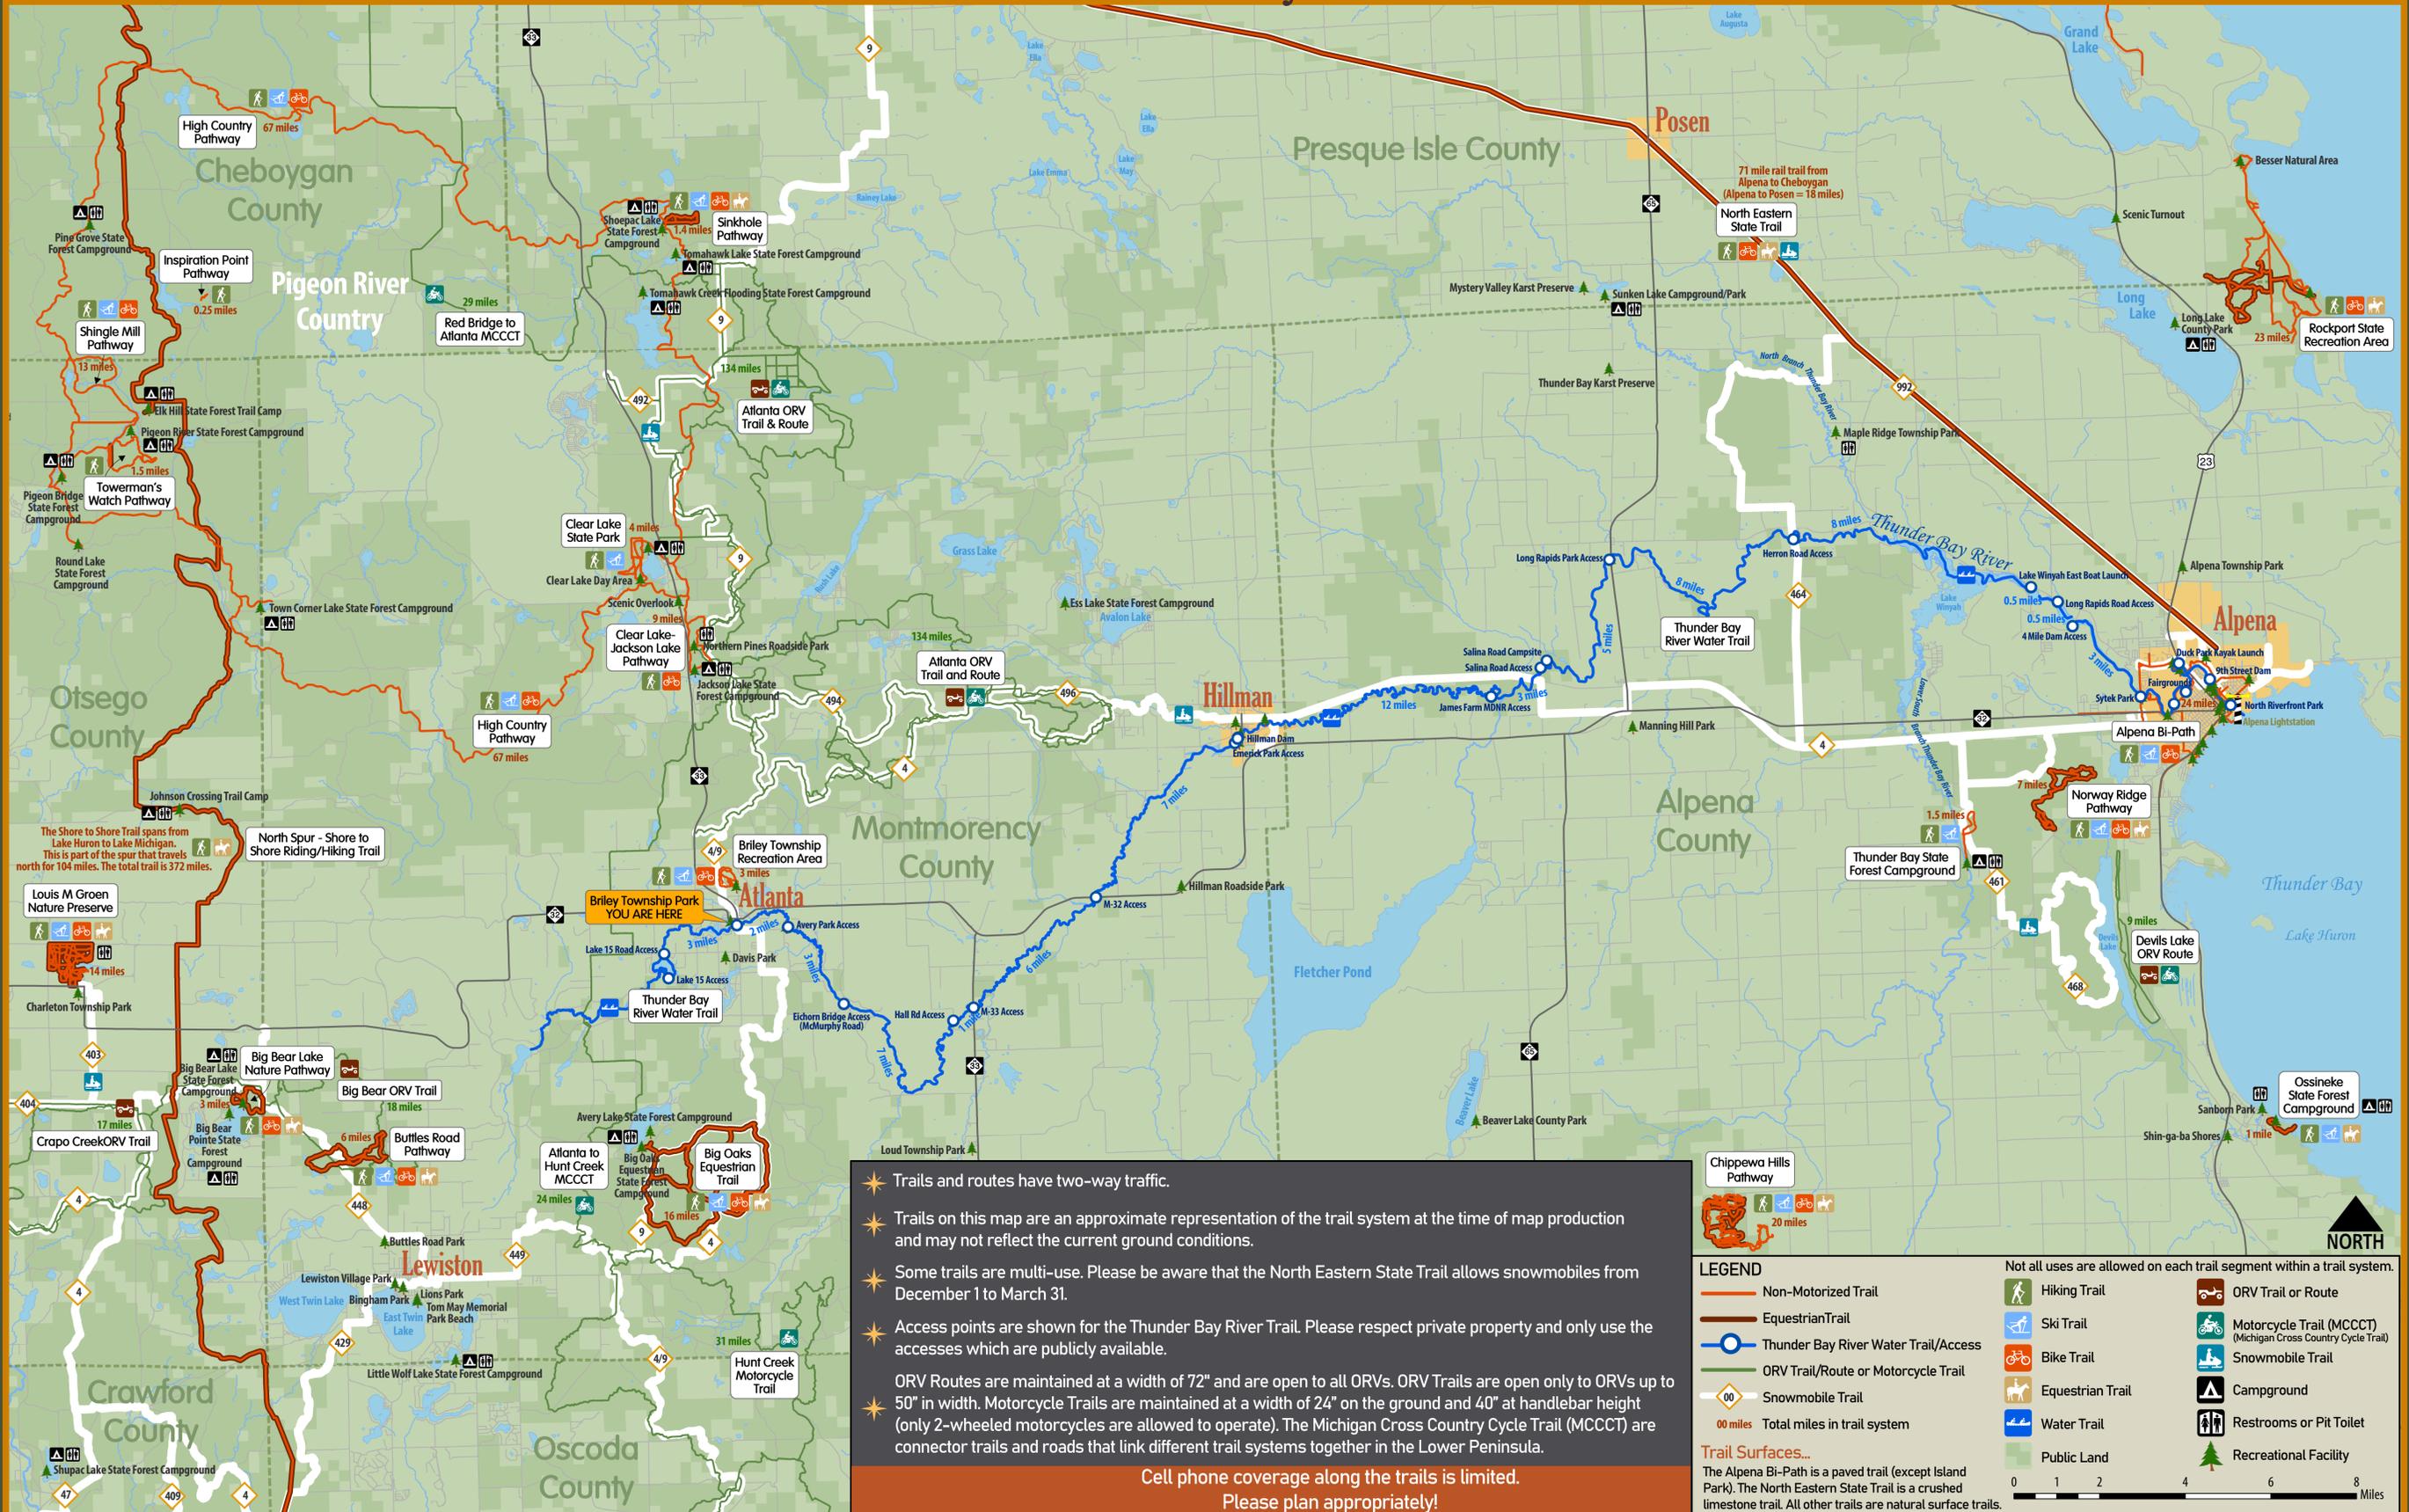

- ★ Slow Down
- ★ Keep Right

- ★ Yield to Pedestrians
- ★ Do Not Block Trail

- ★ Obey Traffic Signs
- ★ Keep Pets Close

Atlanta Area Trail Systems

★ Trails and routes have two-way traffic.

★ Trails on this map are an approximate representation of the trail system at the time of map production and may not reflect the current ground conditions.

★ Some trails are multi-use. Please be aware that the North Eastern State Trail allows snowmobiles from December 1 to March 31.

★ Access points are shown for the Thunder Bay River Trail. Please respect private property and only use the accesses which are publicly available.

★ ORV Routes are maintained at a width of 72" and are open to all ORVs. ORV Trails are open only to ORVs up to 50" in width. Motorcycle Trails are maintained at a width of 24" on the ground and 40" at handlebar height (only 2-wheeled motorcycles are allowed to operate). The Michigan Cross Country Cycle Trail (MCCCT) are connector trails and roads that link different trail systems together in the Lower Peninsula.

★ Cell phone coverage along the trails is limited. Please plan appropriately!

LEGEND

- Non-Motorized Trail
- Equestrian Trail
- Thunder Bay River Water Trail/Access
- ORV Trail/Route or Motorcycle Trail
- Snowmobile Trail
- 00 miles Total miles in trail system
