25	Old 27 needs to be completely re-done	7/8/2020 11:08 AM
26	Terrible roads.	7/8/2020 10:48 AM
27	Terrible for years, way too dangerous no shoulders on the road..makes it too easy to crumble..too narrow	7/8/2020 7:51 AM
28	The old 27 was recently just paved over and the quality of the road is very poor. It appears that they just put on a band-aid for a larger cut. It cost money, but it will cost more money much sooner.	7/7/2020 4:03 PM
29	Pouring pavement over old pavement does not last. Gov. should get a warranty from Reilly and they would do it right.	7/7/2020 12:58 PM
30	They did finally get a portion of Old 27 done but needs done further toward Waters. It sure took	7/7/2020 12:08 PM

Frederic Township Master Plan Public Input Survey

a long time to get that done. Again not sure if that is county or Township

31	Finally getting Old 27 Paved. Yea! Our dirt roads just not graded enough. Sad just before holiday weekend our summer home folks and visitors had to experience such awful dirt roads to get to there homes. (Cameron Bridge, Hulbert, Kolka Creek) We did 5 MPH and the roads still popped open Freezer door in our RV on Monday from horrendous washboard roads.	7/7/2020 12:01 PM
32	Old 27, Co. rd. 612 have been horrible for years. Cameron Bridge rd. hill is starting to degrade.	7/6/2020 9:43 PM
33	For the most part	7/6/2020 6:16 PM
34	Goose Creek road and Upper Manistee road need better Care	7/6/2020 5:33 PM
35	My biggest issue with the area-poor roads.	7/6/2020 4:46 PM
36	as soon as I drive into Crawford county, the roads seem in poorer shape that surrounding counties.	7/6/2020 4:40 PM
37	The worst road by far is Old 27, been that way for 40 years. Now they have redone a portion north of town I would like to see them go the rest of the way to Waters.	7/5/2020 3:14 PM
38	North Old 27 is a wreck , areas of 612 are a disaster, Manistee River road north is one patch after another, so is Hiawatha drive	7/5/2020 12:45 PM
39	Old 27 north of town awful, but i believe that is being addressed. took way to long	7/5/2020 12:17 PM
40	27 needs paved,seems like a lot of time devoted to up north dr need pipe bored under 27 to drain water problem imagine railroad is issue usually are but water should go swamp on west side 2727	7/4/2020 8:36 PM
41	Getting better now that Old 27 is being resurfaced	7/4/2020 3:07 PM
42	Some areas, such as M-612 could use some maintenance	7/4/2020 11:29 AM
43	Old 27 is a disgrace. While I appreciate the graders and snow removal operations. Snowmobilers and ORV drivers racing across the roads, doing the figure 8's, and logging trucks make the road (Deward) really hard to drive. And the washboards are tough. Living out where I do, I accept that roads are not going to be like they are in town, however, they suffer wear and tear that is hard to up with. Loggers should repair roads and ORVers should stick to the rules on county roads and stay on the trails.	7/4/2020 11:02 AM
44	My GOD are you kidding. this survey must not have been written by a local person,	7/4/2020 9:44 AM
45	Old 27 north of Frederic has been quite rough. Part of it still is south of Waters	7/3/2020 9:14 PM
46	Haha drive the roads they're self explained	7/2/2020 4:37 PM
47	Roads in new VOD should all be paved and have sidewalks.	7/2/2020 9:22 AM
48	I live on a public road that is privately maintained with 20 other homes the county won't touch but they grade and dust control Howe's Lake Rd that nobody lives on.	6/18/2020 10:21 PM
49	As stated before, the roads are horrible.	6/14/2020 3:46 AM

15	Frederic needs to look like a town to attract businesses and customers. Beautification is important. And with the new Covid 19 problem, take out restaurants and outdoor seating would be advised. A commons area with properly spaced tables with shade for all the restaurants would be nice. Drive thru restaurants are awesome, even if you drive thru to pick up your food and then park in a commons area to eat. I am not sure where and how you would do this because I am not part of the planning committee and I don't know who owns what properties. But if you want people downtown to shop, food and safety should be your top priority.	7/19/2020 11:45 AM
16	Keep it simple.	7/16/2020 7:14 PM
17	My time in the township consists of 3-4 weeks vacation. I've been fishing for myself and my family on the Manistee River for many years. My experience consists of camping on the Manistee below 612. I am now 91 years old and all of my family still vacation in this area. They usually stay at Pine Tree Lodge at the 612 bridge. I also own 2.5 acres on the Manistee River, just upstream from Shell Haven canoe livery and store. It is possible that my grandchildren may inherit and build on this property.	7/15/2020 2:38 PM

25	Please see comments above, no need to reiterate those here. In addition to those, I have seen a much stronger presence of the DNR issuing tickets and pulling over ATV and UTV drivers. Not sure that is needed but it is going to force people away. Perhaps there is a problem I am unaware of as I have not been bothered, so maybe the DNR is going after a specific problem. I love the land in this area, the people are great, a lot of good family and recreational activities. Some riff raff here and there, but that is expected. Would be nice to attract less riff raff and more families, some appearance and curb appeal improvements would help that. The township needs just a little more revenue to pretty things up and then people will want to visit more often. Once that happens, businesses will be able to open and STAY open. Looking dumpy, having a biker clubhouse and a pot shop and some run-down looking businesses probably isn't the best recipe for growth and sustainability.	7/10/2020 6:37 PM
26	Hope the township moves forward toward a beautiful little recreational area.	7/10/2020 5:57 PM
27	Upgrade your web presence and communication on the web site. I would rate current web page and communication as unacceptable.	7/10/2020 9:41 AM

30	I own property in the township because of it's proximity to the manistee river and the snowmobile trails. I travel to Gaylord or Grayling for shops and restaurants, which is convenient and not a problem. If I wanted to have the amenities of a bigger city, I would have purchased property in a bigger city! I prefer small and quaint. Clean up what we have and try to resist the temptation of additional tax revenue from dope shops. If Frederic becomes known for drug sales (legal or otherwise), I will be moving on...	7/9/2020 9:57 AM

42	Since we have a conservation easement on our property that doesn't allow our 20 acres to be logged or divided, I think our taxes should be lowered.	7/6/2020 4:41 PM
43	Do not build a future on tourism or catering to non-residents that just come to wreck our natural resources. Control the logging before it devastates Frederic again, as it did a century ago. Attract and sustain pollution-free businesses and services.	7/6/2020 2:14 AM
44	I realize we need to grow to survive but one of the draws to the area is the woods & quiet along with the trail system that brings snowmobiles and quads to the area. It is a fine line to balance and I think Frederic does a good job at it.	7/5/2020 3:14 PM
45	Being a property owner who visits monthly I am bothered by people contacting me about gas exploration and such. I am sure this is an important business in the area given the amount of natural gas structures but they have no reason to bother property owners. I believe they trespass anyways but I cant confirm that statement.	7/5/2020 12:21 PM

50	1. Don't misunderstand me - I am NOT against off-roaders. I just want them to respect the land and follow the rules on the 6000 miles of trails, county and forest roads I understand are available. 2. Back to the communications issue, if I did have a medical / fire / 911 emergency, there are significant doubts that I would have a signal long enough to call. 3. I don't see the need to expand business. I believe new business would be to attract non-residents to shop Frederic (more tax money, etc, etc). But I don't know that there are the year-around numbers to support those businesses and we'd end up with more closed businesses.	7/4/2020 11:12 AM
51	Just don't over think everything. Its a nice place to visit. Your never gonna turn it into a robusting town.	7/4/2020 9:46 AM
52	Changes need to be made, and the type of person you are wanting to attract should be made known, and it will happen I feel I am not wanted here and I am looking to move, just like when I moved here.
