P.O. Box 30013
Lansing, Michigan 48909

Dear Governor Snyder:

I would like to take a moment to personally thank you for the support of the Michigan Works! Northeast Consortium and Mr. Dave Droste's work in organizing a Student Career Expo at Rogers City High School on Friday, November 4, 2016. This was a magnificent occasion for students to further their knowledge of career opportunities. As future employers I certainly appreciated the sharing of expectations of impending employees, be it technical education programs, networking, and skills in education or interesting career pathways to pursue. Student questions were answered thoroughly, I know I always learn something new with this type of presentation. This variety of opportunity only enhances and builds on the career education knowledge students learn in classroom presentations.

Thank you for your generous support of the Michigan Works! Programs that share their gifts of time, talent and career knowledge with students. This informational program was valued by both students and the Rogers City High School staff. I am truly appreciative and grateful for this opportunity for my students. Thank you!

Sincerely,

Marilyn M. Dimick, L.P.C.,B.C.P.C.
Rogers City High School Counselor
