Average household size of owner-occupied units	2.48		2.66			
Average household size of renter-occupied units	2.33		2.47			

* Calculations of changes in population by race from 1990 to 2000 should be made with caution, due to changes in the manner in which the race question was tabulated between those two years.

** In combination with one or more of the other races listed. The six numbers may add to more than the total population and the six percentages may add to more than 100 percent because individuals may report more than one race.
