Comments

Limited usage allowed by plan. Would love to see it happen!

Lewiston, 49756

No good options. Rose City, 48654

Depending on price. We need affordable high speed internet in this area.

49756

Dial-up need two lines. Dial-up is all that is available in Mack Lake area, no cell phones. Thank you for doing

Good Luck!

We Want DSL! People want to play games!

M-33 & Co Rd 486, 48654

The services is good but slow at times - Micom

Frontier promised DSL 2 years ago???

Data limit

Price too high

Frontier has checked the lines at M-33 & Steiner and found no copper wiring required to provide their internet s

Too expensive

Lewiston, 49756 Red Oak area - no fiber optic lines, no cable TV service either. This is a real problem.

48654

It's not what I'm willing to pay, it's how much does it cost.

Cannot stream videos well

Was in KS working and our bundled TV, HSInternet & phone was \$130. Farm counrty, scattered neighbors. H

Tried several times; none have lasted due to connection and too slow.

too expensive

49756. Must cut down trees or have satellite in undesirable location in order to upgrade to HughesNet.

limited bandwidth - 12GB - need more.

Currently have DISH will switch phone from Frontier when contract is up.

do not have a land line phone.

Not great for streaming movies or TV shows

Don't have a computer and desire none!

Price too high

Need resonable data caps to keep costs lower.

Many jobs can be done anywhere with a good internet connection. Many people would love to live hereabouts.

We were told that we're less than 6,000 feet from internet access. Would love something less expensive than Hi

49756

Went to aircard because local phone company after 4 years of saying next year still did not have service availab
Rose City 48654

49756

As long as it's not M-33 Access

New house

Price too high

Poor customer service

Poor customer service

Not good at times depending on the weather. \$ ok if don't go over usage.

Price too high

Price too high

Price too high

Need price break on bundle.

almost hopeless here.

Would consider any internet service as long as there is a good connection and it was an unlimited service with.

never be able to get good internet, i.e., a DSL line. If Satellite Internet wasn't so expensive we would go that nonexistent

satellite service. While dial up is a cheaper alternative, it is very slow. Satellite service is undependable and businesses and am in desperate need of something better. Preferably reliable, fast, inexpensive, and unlimited.

limited amounts of gigabytes. My husband works out of the home for part of his job and it would be great to past, but was well over \$100 dollars a month. Way too much!

retired and can't afford the high price of M33 access or direct tv. Frontier won't replace the buried phone lines Service is needed here badly.

When are we going to be connected to the recent fiber cable from Merit?

dialup service I used to have with M33 access. I have been paying for internet service at this address since

Looking forward to alternatives.

I want this residence as a get away only

The lack of high speed internet prevents me from living in Oscoda Co. year around.

should have internet at a reasonable price. So much information and ways to communicate with everyone.

Thank you for your interest in obtaining hi-speed internet service for all residents in Oscoda County. shut off during the winter.

high price

this survey!

service. Was told it was too expensive.

How can it be cost effective there and not here.

It would attract business and incomes.

ughesNet.

Poor customer service, slow or stops, disconnects without warning.

le. Had M-33 Access and felt their service was horrible.
